CYGNETT

Screen Protectors

Premium range

Privacy 360°

Privacy360° features a micro-louver design to prevent others viewing your screen from any angle. The hi-tech shield includes a complex four-layer design, with a matte finish for easy glide, anti-glare properties and protection from dust, fingerprints and scratches. Includes a premium microfiber cloth and screen cleaning wet wipe.

The Healer

The Healer is an advanced self-healing, three-layer screen protector, featuring a space-age film that re-seals minor scratches within five seconds, to restore the smooth surface. Made from a super-high clarity polyethylene substrate, you'll enjoy longer life screen protection, sharp and bright display and protection from dust and fingerprints. Includes a premium microfiber cloth and cleaning wet wipe.

Impact Resistant

Impact Resistant is an innovative, super-tough screen protector, offering the protection of high-grade Thermoplastic polyurethane (TPU) to shield against major impacts, drops and scratches. Offering high light transmission for display clarity, the ultimate defence from sharp objects and a shock-absorbing layer, it also resists dust and fingerprints. Includes a premium microfiber cloth and screen cleaning wet wipe.
